In re: Italo CALVINO

The applicant, a citizen and resident of Italy, born October 13, 1923 in Santiago de Las Vegas, Cuba, has been found by the Department of State to be ineligible to receive a visa on the ground indicated because of his membership in the Italian Communist Party from 1943 to 1957. He seeks to enter the United States as an exchange visitor for a period of approximately six months to participate in a program sponsored by the Institute of International Education, 1 East 67th Street, New York 21, New York for study and observation in the field of creative writing.

Partially completed security checks made by the Department of State have disclosed no further derogatory information. Results of the full security checks will be furnished this Service as soon as available. Notwithstanding that complete security investigation has not been completed the Department of State and the Consulate at Turin recommend that the alien's temporary admission be authorized for the purpose stated. The Embassy at Rome endorses this recommendation.

IT IS ORDERED that the application be granted, subject to revocation at any time.
