I. Location

A source advised on March 6, 1968, that the headquarters of the Youth International Party (YIP) is located in Room 607 at 32 Union Square, New York, New York.

In this regard, source stated that YIP has occupied these premises for approximately two months.

II. Origin and Aims

Date of Review 3/2/88

The "New York Post" in its February 2, 1968 issue, on Page 12, sets forth an article entitled "Gaily, Gaily, Hippies Going Into Politics," which states in part as follows: (u)

"A new group called Youth International Party (YIP) with a high command of 25 'yippies' is promoting a fun-and-games youth festival in Chicago during the Democratic National Convention in late August. (u)

"The New York-based organization, whose leaders include poet Allen Ginsberg and folk singer Arlo Guthrie, hopes to lure 500,000 free spirits to Chicago for the occasion. (u)

"It promises singing, dancing in the streets, poetry and 'making love in the parks,' according to the first announcement distributed to radical newspapers by Liberation News Service (LNS). (u)

"It is clear the top yippies don't think much of President Johnson or the 'National Death Party' he hopes to lead to a second four-year term in power. (u)

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation (FBI). It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

"'Rise up and abandon this creeping meatball,' the leaders are quoted as saying about Guess Who. (u)

"'We demand the politics of ecstasy!' (u)

"As for plans by Chicago mayor Daley and the FBI to halt any convention-disrupting stuff, the yippies had little but scorn. The mayor and 'J. Edgar Freako will not stop us,' they insisted. (u)

"Participants were asked to bring blankets and pillows and assured that everything would be free during this song-and-dance-and-love-in. (u)

"Word of the 'yippie' activity was relayed to the commercial press by the co-directors of Liberation News Service, Ray Mungo and Marshall Bloom, who also are on the YIP committee. (u)

"Mungo is former editor of the Boston University News and Bloom once edited the Amherst Student. They both wear their hair long and Bloom wears a mustache and chin whiskers." (u)

Allen Ginsberg (u)

The Foreign Broadcast Information Service for January 22, 1965, in Daily Report-Latin America, number 14, reflected the following transmittal in Spanish from Havana, Cuba, on January 19, 1965: (u)

"The United States poet Allen Ginsberg arrived in Cuba to participate as a poetry judge in this year's contest of the Cuban Cultural Organization House of Americas. He will be part of the jury that is made up of outstanding poets from different countries." (u)

On March 6, 1968, the first source made available a throwaway on the letterhead of the Liberation News Service, 3 Thomas Circle, N. W., Washington, D. C., captioned "An Announcement: The Youth International Party (or: YIP!) Is Born" which contained a press release datelined January 16 (1968) at New York.

Youth International Party

This press release stated in part as follows:

"A group of 25 artists, writers, and musicians have agreed to participate in the founding of the Youth International Party, or YIP, today. YIP will stage a massive Youth Festival this August in Chicago which may just coincide with the Democratic National Convention-- although the two are, of course, entirely unrelated."

This throwaway also contained the following statement from YIP:

"Join us in Chicago in August for an international festival of youth, music, and theatre. Rise up and abandon the creeping meatball! Come all you rebels, youth spirits, rock minstrels, truth-seekers, peacock-freaks, poets, barricade-jumpers, dancers, lovers, and artists!

"It is summer. It is the last week in August, and the NATIONAL DEATH PARTY meets to bless Lyndon Johnson. We are there! There are 500,000 of us dancing in the streets, throbbing with amplifiers and harmony. We are making love in the parks. We are reading, singing, laughing, printing newspapers, groping, and making a mock convention, and celebrating the birth of FREE AMERICA in our own time.

"A new spirit explodes in the land. Things are bursting in music, poetry, dancing, newspapers, movies, celebration, magic, politics, theatre, and life-styles. All these new tribes will gather in Chicago. We will be completely open. Everything will be free. Bring blankets, tents, draft-cards, body-paint, Mr. Leary's Cow, food to share, music, eager skin, and happiness. The threats of LBJ, Mayor Daley, and J. Edgar Freako will not stop us. We are coming! We are coming from all over the world!

"The lift of the American spirit is being torn asunder by the forces of violence, decay, and the napalm-cancer fiend. We demand the Politics of Ecstasy! We are the delicate spores of the new fierceness that will change America. We will create our own reality, we are Free America! And we will not accept the false theatre of the Death Convention.

"We will be in Chicago. Begin preparations now! Chicago is yours! Do it!"

IV. Activities

On March 6, 1968, the first source made available an undated leaflet of YIP entitled "People, Get Ready" which states as follows:

"The leaders of the National Democratic Party are planning to meet in Chicago in August; there to enact, for the television audience, all the drama and excitement of an American Political Convention, culminating, it is understood, in the nomination of L. Johnson for President of the United States, and Leader of the Free World.

"In the face of this act of sado-masochistic folly the free youth of America will simultaneously hold an enormous International Youth Festival in Chicago; there will be music playing and people swaying, dancing in the streets. Johnson and his delegates, locked in their slaughterhouse conventionhall theatre, will make ugly speeches and play ugly campaign music, while we, the living breathing youth of the world, will make the city a theatre, and every restaurant Alice's. Already, throughout parks and vacant lots in and around Chicago, agents of the Potheads' Benevolent Association have planted hundreds of thousands of pot seeds. The long hot summer of 1968 is expected to produce ideal weather for marijuana growing, and most of the crop should be ready for smoking by the end of August. Free people, free pot, free music, free theatre; a whole new culture will manifest itself to the world, rising from the ashes of America. Rock groups will be performing in the parks; newspapers will be printed in the streets; provos and police will play cops and robbers in the department stores; Democrats and dope fiends will chase each other through hotel corridors. Longboats filled with Vikings will land on the shores of Lake Michigan, and discover A m e r i c a ! Chicago will become a river of wild onions!"

On March 6, 1968, the first source made available an undated leaflet from YIP, 32 Union Square, New York City, which stated in part as follows: (u)

"68' is the year of the YIPPIE! Over 500,000 free spirits will come to Chicago during Aug.25-30. They will come (u)

Youth International Party

On March 6, 1968, the first source made available a copy of a reprint of an article written by Jerry Rubin for the Underground Press, entitled "Notes from an Era Yippizolean" which stated as follows concerning the planned activities of YIP:

"1968 is the year of the 'yippies.'"

"A yippee is anyone who wants to be. A yippee! sounds like the name. Say it loud, and you'll see what I mean. Yippee! Yippee!!"

"The yippies will be in Chicago this August for the youth festival, or Youth International Party, YIP."

"The yippies were born at the Pentagon last October, although they have been developing in the womb of Mother America since the late 1950's."

"The yippies are the children of the middle class, children who refuse to 'grow up' refuse to accept the world their parents created. The yippies have had white middle-class America, and they didn't like it."

"A yippee is a stoned-idealist, moved by a vision of a future utopia. He is a romantic. It is not fear which moves the yippee; it is faith and hope."

"The yippies are fighting for their own freedom. The yippies know in their bones what America has done -- rivers of blood, man against man, death of spirit, denial of dignity. The yippee is free because he is engaged and committed to change."

"The yippee sees America as a huge prison, with her institutions (bureaucracies, office buildings, armies, universities, schools) as bars. The yippies are drop-outs from that world. They were raised on horror stories of Eichmann, the bureaucratic cop-out."

"The yippies are with the Vietnamese, peasant guerrillas wherever they are, and the black and other struggling people of America in this mid-20th century saga of the battle of Man V. S. Machine."

~~CONFIDENTIAL~~

Youth International Party

"To America's insanity, the yippies ask: 'Why?'
Yippies are naive.

"The answers?

"'You're freaky-looking.'

"'The Chinese are coming.'

"'Watch out for the commies.'

"'Get a bath.'

"The yippee is not busy working within the system or trying to explain his actions to the Establishment or the middle-class mentality. He is too concerned with creating a clear alternative, an underground, an opposition.

"He is involved in a cultural revolution. In the process he is seducing the 10-year-olds with happenings, community, youth power, dignity, underground media, music, legends, marijuana, action, myth, excitement, a new style.

"The yippies are out there blocking traffic, throwing blood, burning money, tying up government telephone wires, milling in, (obscene) the draft, throwing live snakes into Dow Chemical executive cocktail parties.

"You probably don't agree with this description of yippee, but that's because you are a yippee, and you have your own fantasy.

x x x x x x x x x

"The New Left created the teach-in, the hippy created the be-in, and the yippee is creating the do-in. America's first youth festival will be a do-in and it will take place Aug. 25 to Aug. 30 in Chicago's Grant Park.

"If that's the same time the National Death Party meets to crown LBJ, there's no coincidence! The world will see what the youth of America thinks of the Death Party and its war games. The youth festival will be a living alternative and you can take your choice.

"Imagine the sight: thousands of yippies, from 200,000 up, making their way to Chicago by thumb, magical mystery tour, bus, bicycle, car, truck, foot -- from big town

~~CONFIDENTIAL~~

Youth International Party

"and small hamlet -- carrying sleeping bags, guitars, blankets, food -- coming together in the middle of the country at the end of the summer for a super-creative energy explosion and information exchange.

"It will be a total multi-media experience. For six days we will be together sharing and learning. Every morning all our money can be thrown into big barrels to buy enough food to feed everyone. Our own Alice's Restaurant! And that tells America how we think the needs of human beings should be solved -- everything free.

"The music will be free. The performers will be playing for their community. Definite already are Country Joe and the Fish, The Fugs, Arlo Guthrie, Phil Ochs, the United States of America band, Pageant Players, Bread and Puppet Theater, Allen Ginsberg, Timothy Leary, Paul Krassner and the Steve Miller Blues Band. Invitations are now going to Dylan, Eric Burdon and the Animals, the Monkeys, the Jefferson Airplane, Richie Havens, Simon and Garfunkel, the Doors, the Who, the Blue's Project, Beatles, Mothers of Invention, Mamas and Papas, Janis Ian, the Cream, and the Smothers Brothers to name just a few. (u)

"Walk across Grant Park at any time during the youth festival and you'll find:

"Free mikes and soapboxes for anyone who wants to rap, and a . . .

"Free mimeo for anyone who has something to pass out.

"The underground papers will come from all over the country to Grant Park to publish a daily paper for the festival. They'll do it right in the park and teach people how to start and do their own paper.

"Film-makers will hold workshops and show at night what they film during the day.

"Continuous workshops on the draft, and how to end it will be held.

~~CONFIDENTIAL~~

"A real school for drop-outs will appear, along with art of the streets, art for and from the people. You name it. You do it. Everyone participates -- every man is a creator.

"We'll have yippees dressed like Vietcong walking the streets and shaking hands like ordinary American politicians. We'll infiltrate right-wing crowds with short-hair yippee veterans who at the proper moment will blow minds with speeches like: 'Now, these yippees have something to say ...'

"Guerrilla theater groups from all over the country will be there. The day before LBJ arrives in Chicago we will announce to the overground press that LBJ will arrive at 2 p.m. at O'Hara Airport. And it will be our own LBJ who will be greeted enthusiastically by the yippees, honored by a motorcade through Chicago, and then on to a hotel for a press conference to announce America's withdrawal from Vietnam.

"Yippees plan to paint their cars like cabs, pick up delegates, and drop them off in Wisconsin. We are infiltrating the hotels with bellboys and cooks. We are also infiltrating the press.

"We'll have our own theater-convention and nominate Bancroft P. Hogg, a pig made out of vegetables, for President and LBJ for Vice-President. After Hogg is nominated, we will kill him and then eat him. We will say to America: 'You nominate a President and he eats the people. At our convention we nominate a President and the people eat him!'

"The youth festival will dramatize the nation's most massive collective and individual acts of resistance. One night 100,000 people will burn draft cards at the same moment, with the fires spelling out 'Beat Army.' The next day all the pyromaniacs will send signed letters to the government confessing their act, and will encourage more young men to follow them.

"This do-in will be unique in that it must be a bottom-up revolution to succeed. You are needed to work on it to make it happen. It will not be done for you. We have opened up a coordinating office, at YIP (room 607, 32 Union Square East, New York, 10003, New York, phone (212) 982-5090 and we are there coordinating information.

"The Chicago power structure, especially Mayor Daley, is not going to be thrilled about our using Grant Park. But with hundreds of thousands of us, what are they going to do? It is our human right and we are confident of receiving a permit to use Grant Park.

"That week in Chicago will be a living theater of America. King will be there, also Gregory, also Spock and the peace movement. The Democrats will probably have to travel from hotel to convention hall by helicopter. Johnson will be nominated under military guard, under the protection of Army bayonets. Even if Chicago does not burn, the mass paranoia and guilt of the government will force them to bring thousands of troops, and the more troops, the better the theater.

"A lot of troops will have to stay and watch us (long hair freaks them out), diverting troops from the black community. And the yippies, being wanderers, will be all over the city.

"That Lydon Johnson and his Democratic Party cannot rule this country is becoming clearer every day. The choice is between the life of youth and the death of the Establishment. For those who don't see that now, Chicago will be an eye-opener."

On March 6, 1968, the first source made available an undated three page leaflet of YIP, 32 Union Square, New York City, entitled "Yippie Announcement! Yippie!" This leaflet states in part as follows:

"YIP is planning a 'festival of life', an 'international youth festival' from Sunday, August 25 to Friday, August 30 in Chicago, Illinois. This youth festival will take place at the same time as the National Death (Democratic) Convention in Chicago. It will be a contrast in life styles. Ours will be an affirmation of life; theirs is d-e-a-t-h.

"The festival of life is being organized by a new coalition of forces called the 'Youth International Party' or 'YIP'. All the people who come to the youth festival are 'yippies!'. Chicago police have estimated 'anywhere from 100,000 to two million'. We concur.

~~CONFIDENTIAL~~

"The youth festival is unique in the following respects:

"1. In addition to the protest of the Death Party and its policies, the festival presents a living, cultural, spiritual alternative.

"2. The festival will be an artistic event and involves artists in its conception and execution.

"3. The festival will last six days and will be a living experience for those who come, not just a one or two-day protest.

"4. The festival will be a participatory event, a creative 'do-in.' Activities and resources will be planned so that everyone who comes will become involved and will grow through the experiences.

"5. Everything will be free. This will be the nation's first major free music festival. Our goal is that food also will be free at the festival -- people will pool their money to provide free food. The festival will express our view that the needs of life should be free. We will demonstrate this through action -- through sharing.

"The following are some of the activities that will occur at the youth festival:

"--music. The following performers have already agreed to appear: Country Joe and the Fish; Blood, Sweat and Tears; Arlo Guthrie; Len Chandler; Phil Ochs; Janis Ian; the Fugs; United States of America electric band; Peter Seeger; American Expeditionary Force; The Sunshine Company; The Nitty Gritty Dirt Band; Richie Havens; Dick Gregory; Barbara Dane; Jim and Jean; Judy Collins; Steve Miller Blues Band.

"A number of performers are preparing a call soon to be widely publicized asking all artists to celebrate Aug. 25-30 as 'affirmation of life' week and not to accept any commercial bookings; and instead to come to Chicago to perform for the youth festival.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

"--A major emphasis of the youth festival will be on guerrilla theater. Many interesting things are planned: we will have our own LBJ who will end the war; there may be a march of the oppressed of the world; and body paint and costumes for all who want them. The Bread and Puppet Theatre and the Pageant Players of New York are preparing happenings. YIP is asking guerrilla theater groups from all over America to come to Chicago that week to 'do your thing...Chicago is a stage...it will be a natural energy center for guerrilla theater.' If interested, write the coordinator for guerrilla theater, Richard Schechner, editor, Drama Review, New York University, 32 Washington Place, N.Y. 10003, N.Y., or call (212) 598-2596.

"--A daily underground paper will be published by the underground papers and Liberation News Service.

"--Discussions and demonstrations will take place on the issue of the draft. One night 100,000 people may burn draft cards, with the fires spelling: 'Beat Army.'

"--A mock convention will happen.

"--And: free mikes for people to rap in Hyde Park fashion, mimeos also, and hundreds of small discussions on hundreds of topics.

"--magic.

"Youth festivals will take place in countries all over the world the same week.

"Our yippie calls are:

"'Rise up and abandon the creeping meatball!'

"'We demand the politics of ecstasy!'

"Many people are working actively to build the festival including Paul Krassner, Ed Sanders, Timothy Leary, Allen Ginsburg, Vaughn Meader, Richard Goldstein, Bob Fass, Jacques Levy, Barbara Dane, Mike Ochs, Abbie Hoffman, Keith Lampe, Jerry Rubin. Dennis Gaston and Abe Peckolick, along with people from the underground paper, The Seed, are forming a YIP group in Chicago and an office will be opening there shortly to carry on the coordination of local forces.

"A support committee is being formed in Chicago of clergymen and lawyers to negotiate with the city for permits to use park facilities. We are confident of receiving the necessary permits. The more people that are planning to come to Chicago, the more likely will be our chances.

"The youth festival is completely open. There is no 'central committee' making decisions on policy. We are working to get people there, to organize the best sound system ever, and the necessary resources. Form your own committee, hand out your own releases, plan your own activities. In fact, yippie will not happen if you personally don't get involved. Become a yippie organizer in your own city (and write us about your work)! Do it! Now.

"Because of the tremendous numbers of people expected, local groups should begin now securing their transportation -- buses, trucks, bikes, etc. You might consider dramatic bus, truck, car, bike, walking caravans across the country to Chicago! Bring sleeping bags, blankets, tents, and props.

"Money is desperately needed to provide staging, sound system, lighting, props, publicity and other resources needed to make the festival a success. If you can, make checks payable to Youth International Party and sent to our office.

"Literature, two multi-color posters by Milton Glazer and the Group Image and YIPPIE buttons and stickers are available through our office.

"If interested in hearing a speaker on YIPPEE, contact the YIP office.

"This will be the first national youth festival, the first coming together of all the people who have been involved in the youth revolution which has been taking place in America in the past decade. A lot will be concentrated in one time and place period in August and the result will be, we think, 'geometric' growth in the energy and spirit of our new culture."

EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1951, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee"

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. * * * The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the Party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.

MAY 2 MOVEMENT

A source advised on March 3, 1965, as follows:

The May 2 Movement (M2M) formerly known as the May 2 Committee was organized on March 14, 1964, at New Haven, Connecticut, by a group of young people participating in a symposium "Socialism in America" being held at Yale University. The original aim of the M2M was to plan and execute a demonstration in New York City on May 2, 1964, demanding withdrawal of United States troops from Viet Nam.

The M2M was dominated and controlled by the Progressive Labor Party (PLP) and had for its aim and purpose the embarrassment of the United States Government by meetings, rallies, picketing demonstrations and formation of university level clubs at which a Marxist-Leninist oriented approach and analysis was taken of United States domestic and foreign policies. This source advised on May 19, 1965, that the headquarters of the M2M was 640 Broadway, New York City, Room 307.

A second source advised on February 9, 1966, that the M2M was officially dissolved as an organization on February 6, 1966, at a meeting held on the same date in New York City, by the leadership of M2M and the Progressive Labor Party.

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam and to "radically transform" the university community, and provide for its complete control by students. GUS HALL, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us." At the June, 1965, SDS National Convention, an anti-Communist proviso was removed from the SDS Constitution. In the October 7, 1966, issue of "New Left Notes," the official publication of SDS, an SDS spokesman stated that there are some Communists in SDS and they are welcome. APPENDIX1W.E.B. DU BOIS CLUBS OF AMERICA (DCA)

A source advised that on October 26-27, 1963, a conference of members of the Communist Party, USA (CPUSA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. Du Bois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention.

The second source advised in September, 1966, that [redacted] stated that in Negro communities the Party still supported the plan to build "left" socialist centers and to solidify the Party base through the DCA. This source also advised in September, 1966, that DANIEL RUBIN, CPUSA National Organizational Secretary, stated the Party believes the DCA should have a working class outlook and be a mass organization favorable to socialism, socialist countries and Marxism, and in April, 1967, GUS HALL, CPUSA, General Secretary, indicated that the DCA primary emphasis should be on developing mass resistance to the draft.

B. Origin and Aims

The "New York Post", a New York City daily newspaper, in its February 2, 1968 issue, on page 12, sets forth an article entitled "Gaily, Gaily, Hippies Going Into Politics," which states in part as follows: (u)

"A new group called Youth International Party (YIP) with a high command of 25 'yippies' is promoting a fun-and-games youth festival in Chicago during the Democratic National Convention in late August. (u)

"The New York-based organization, whose leaders include poet Allen Ginsberg and folk singer Arlo Guthrie, hopes to lure 500,000 free spirits to Chicago for the occasion. (u)

"It promises singing, dancing in the streets, poetry and 'making love in the parks,' according to the first announcement distributed to radical newspapers by Liberation News Service (LNS). (u)

"It is clear the top yippies don't think much of President Johnson or the 'National Death Party' he hopes to lead to a second four-year term in power. (u)

"'Rise up and abandon this creeping meatball,' the leaders are quoted as saying about Guess who. (u)

"'We demand the politics of ecstasy!' (u)

"As for plans by Chicago mayor Daley and the FBI to halt any convention-disrupting stuff, the yippies had little but scorn. The mayor and 'J. Edgar Freako will not stop us,' they insisted. (u)

NY 100-162260

"Participants were asked to bring blankets and pillows and assured that everything would be free during this song-and-dance-and-love-in.

"Word of the 'yippie' activity was relayed to the commercial press by the co-directors of Liberation News Service, Ray Mungo and Marshall Bloom, who also are on the YIP committee.

"Mungo is former editor of the Boston University News and Bloom once edited the Amherst Student. They both wear their hair long and Bloom wears a mustache and chin whiskers."

The Foreign Broadcast Information Service for January 22, 1965, in Daily Report-Latin America, number 14, reflected the following transmittal in Spanish from Havana, Cuba, on January 19, 1965:

"The United States poet Allen Ginsberg arrived in Cuba to participate as a poetry judge in this year's contest of the Cuban Cultural Organization House of Americas. He will be part of the jury that is made up of outstanding poets from different countries."

On March 6, 1968, NY T-1 made available a throwaway on the letterhead of the Liberation News Service, 3 Thomas Circle, N.W., Washington, D.C., captioned "An Announcement: The Youth International Party (or: YIP!) Is Born" which contained a press release datelined January 16 (1968) at New York.

This press release stated in part as follows:

"A group of 25 artists, writers, and musicians have agreed to participate in the founding of the Youth International Party, or YIP, today. YIP will stage a

~~CONFIDENTIAL~~

"massive Youth Festival this August in Chicago which may just coincide with the Democratic National Convention- although the two are, of course, entirely unrelated."

This throwaway also contained the following statement from YIP:

"Join us in Chicago in August for an international festival of youth, music, and theatre. Rise up and abandon the creeping meatball! Come all you rebels, youth spirits, rock minstrels, truth-seekers, peacock-freaks, poets, barricade-jumpers, dancers, lovers, and artists!

"It is summer. It is the last week in August, and the NATIONAL DEATH PARTY meets to bless Lyndon Johnson. We are there! There are 500,000 of us dancing in the streets, throbbing with amplifiers and harmony. We are making love in the parks. We are reading, singing, laughing, printing newspapers, groping and making a mock convention, and celebrating the birth of FREE AMERICA in our own time.

"A new spirit explodes in the land. Things are bursting in music, poetry, dancing, newspapers, movies, celebration, magic, politics, theatre, and life-styles. All these new tribes will gather in Chicago. We will be completely open. Everything will be free. Bring blankets, tents, draft-cards, body-paint, Mr. Leary's Cow, food to share, music, eager skin, and happiness. The threats of LBJ, Mayor Daley, and J. Edgar Freako will not stop us. We are coming! We are coming from all over the world!

"The life of the American spirit is being torn asunder by the forces of violence, decay, and the napalm-cancer fiend. We demand the Politics of Ecstasy! We are the delicate spores of the new fierceness that will change America. We will create our own reality, we are Free America! And we will not accept the false theatre of the Death Convention.

"We will be in Chicago. Begin preparations now!
Chicago is yours! Do it!"

C. Scope

Special Agents (SAS) of the Federal Bureau of Investigation (FBI) at 11:00 AM on March 19, 1968, observed a press conference called by the Yippies at the Americana Hotel in New York City. During this press conference, JERRY RUBIN, a YIP leader, stated that the Yippies would open an office in Chicago the following week and would also open offices soon in Los Angeles and San Francisco.

On June 24, 1966, NY T-3 advised that JERRY RUBIN attended one session of the 18th National Convention, Communist Party (CP), United States of America (USA), held in New York City as an observer. ~~(S)~~ (U)

D. Initial Founders, Leaders
and Officers

NY T-2 advised on March 5, 1968, that the YIP was organized by JERRY RUBIN, KEITH LAMPE, and ABBE HOFFMAN, as a political youth organization.

NY T-4 advised on September 22, 1965, that at that time a list of names, believed to be the mailing list of the Gus Hall-Benjamin J. Davis Defense Committee (HDDC) in New York City, included the following under the caption "College Faculty" - KEITH R. LAMPE, Apartment D, 639 East 11th Street, New York City, "Queens College." ~~(S)~~ (U)

At the meeting, Hoffman presented the "Hippies" plans for the demonstration to be held in Washington, D.C., October 21-22, 1967, part of which consisted of dyeing the Potomac River red and firing water pistols filled with day-glow paint at the walls of the Pentagon.

On March 6, 1968, NY T-1 made available a throwaway on the letterhead of the Liberation News Service, previously described, captioned "An Announcement: The Youth International Party (or: YIP!) Is Born" which contained a press release datelined January 16 (1968). (u)

This press release stated that the initial founders of YIP are as follows: (u)

II. ACTIVITIES.

A. Mock Raid at the State University of New York (SUNY) at Stony Brook, New York, February 27, 1968

On February 26, 1968, the Bureau of Special Services, New York City Police Department (BSS, NYCPD), advised that at approximately 3:00 AM, February 27, 1968, a group of Yippies would travel from New York City for a mock raid at the State University of New York (SUNY) at Stony Brook, New York. On February 26, 1968, JOHN L. BARRY, Commissioner, Suffolk County Police Department, Hauppauge, New York, confirmed the above and stated that this was apparently to be a mock tactic to protest a narcotics raid on the above campus conducted by his department on January 17, 1968, when thirty students were arrested on narcotics charges.

On February 27, 1968, the Intelligence Squad, Suffolk County Police Department, furnished a throwaway leaflet which was distributed at the SUNY. It contains a heading: Youth International Party, 32 Union Square, East

NY 100-162260

New York, New York, with a caption "Yippie Cops Raid Stoneybrook, Stoneybrook University, Stoneybrook, New York, February, 27, 1967 - 6:00 am." This release read as follows:

"This is a happy raid. These indicted Stoneybrook students are being sentenced to a joyful concert by the Fugs and a performance by the Pageant Players. There will even be dancing in the halls before classes. We have found balloons, candy, flowers and other goodies in their rooms which we feel are sufficient grounds for these arrests. We wish to make it clear at this time that there has been absolutely no complicity on the part of the University Administration with the Yippie police. As a matter of fact, they are still asleep. However, the student body shows every indication of awakening.

"We are trying to contrast the authoritarian, gestapo-like behavior of the Suffolk County Police with fun and peacefulness. The failure of the school administration to back up the students in the face of the recent police abuse has created a vacuum. It is being filled by a growing number of students who are articulating and working toward a community which will be a place where spirits and minds can be free."

The Suffolk County Police Department advised that the group, most dressed in "hippie" attire, arrived at the SUNY campus at approximately 6:00 AM, February 27, 1968, but were not permitted to enter the campus on the instructions of the University administration. They gathered in the vicinity of the main gate of the campus where they sang songs and played music and danced. The gathering was orderly. No arrests were made. The group dispersed at approximately 11:45 AM. At that time, at the request of the English Department, a small group was permitted to enter the campus under the sponsorship of individual students for the purpose of putting on a performance for the English Department.

On March 4, 1968, Detective Lieutenant [redacted] Intelligence Squad, Suffolk County Police Department, advised that on February 27, 1968, he and [redacted]

b6

NY 100-162260

Detective [] of his department observed the activities of the group in the vicinity of the Commercial Trade Building, 32 Union Square East, New York City, and at the University. He said that he was advised by Detective [] BSS, NYCPD, that the group was under the leadership of KEITH LAMPE, a former English Professor at Queens College, Flushing, New York. Detective [] interviewed LAMPE and the latter advised him that the Youth International Party hoped to organize forty-fifty people in fifteen vehicles at 3:30 AM on February 27, 1968, and then proceed to Stony Brook, New York, to execute a satirical raid on G-Dormitory at SUNY, after which there would be music by the Fugs, a rock-and-roll musical group, and satirical plays.

b6
b7c

At 4:10 AM, on February 27, 1968, approximately sixty persons, of which approximately fifteen were female, left the 32 Union Square area, New York City, in a fifteen car caravan, and proceeded to Stony Brook, New York. They arrived at 5:35 AM. They were greeted at the main gate of the University by the Campus Security police, members of the Suffolk County Police Department, and students displaying signs such as "Go Home, we have had enough trouble." The raiding group carried no signs and did not parade. There were no incidents and no arrests.

The "New York Post" in its February 27, 1968 issue on page 2 sets forth an article entitled "A 'Raid' Fails on Takeoff at Keystony Brook" which states in part as follows:

"They call themselves the Youth International Party, and for short they want to be known as YIP. Their members say they're Yippies, which is not unlike today's hippies - except they claim a Yippie is the more intellectual breed.

"Early today, like about 3 a.m., they rallied outside 32 Union Square E., which is their headquarters. There were 100 of them, and they piled into 25 cars and headed east to 'save' the beleaguered students of the State University at Stony Brook, which had some trouble last month with Suffolk

NY 100-162260

"County cops who raided the campus and arrested nearly two score for allegedly possessing marijuana.

"It was going to be a 'guerrilla love feast', the YIP leaders said, and they were going on campus just the way the cops did. They planned to rouse students from their beds in the dorms and seize the cigarets, candy, balloons and other such innocent items that college kids supposedly keep in their rooms.

"It's going to be a parody on the police raids,' said Keith Lampe, the leader of YIP, who also described himself as a lecturer on leave from the Queens College language institute.

"But the invaders from Manhattan apparently hadn't counted on the police welcoming committee of 100 that was waiting for them.

"When the yippies tried to enter the main gate, the cops raised their night sticks, and somebody announced through a bullhorn, 'No one is permitted on the school grounds.'

"The yippies raised their voices in protest. To their surprise, a shout came from inside the campus: 'Go away, we don't want you.'

"These were some 200 Stony Brook students who had gotten wind of what was happening and came to sound their own protest to the protesters.

"Some Yippies had tried to sneak through a cluster of trees and underbrush south of the gate, but the quick-footed cops caught up with them and escorted them back to the street.

"When the Yippies sensed that they weren't going to get onto the campus, they staged a song and dance routine on the grass outside. The show fizzled out by midmorning at the Yippies straggled back to the city."

NY 100-162260

B. "Yip-In" Grand Central Station,
New York City, March 22, 1968

On March 18, 1968, NY T-16, made available a copy of a leaflet from the YIP announcing that a "Yip-In" would be held in Grand Central Railroad Station, New York City, at midnight on March 22, 1968.

This leaflet describes the proposed "Yip-In" as follows:

"It's a spring mating service celebrating the Equinox, a back-scratching party, a roller-skating rink, a theatre....with you, performer and audience. Get acquainted with other Yippies now, for other yiptivities and Chicago Y.I.P. Festival this summer.

"Bring:

Bells, Flowers, Beads, Music, Radios, Pillows, Eats, Love and Peace.

"Meet later on at Sheep Meadow in Central Park to YIP up the sun."

NY T-14 on March 18, 1968, and NY T-1 on March 26, 1968, also furnished copies of the YIP leaflet announcing a "Yip-In" in Grand Central Railroad Station, New York City, on March 22, 1968.

On March 22, 1968, at approximately 11:30 p.m. SAS of the FBI observed approximately 3,000 hippie-type individuals congregating in Grand Central Railroad Station in New York City. These individuals, who were dressed in costumes and other hippie - type attire, were singing, dancing and throwing balloons with the word "Yippie" written on them. Periodically such slogans as "We Got Power" and "Peace Now" were chanted. Two banners were displayed, one captioned "Yippie" and the other captioned "Liberty, Equality, Fraternity". In addition "Yippie" buttons were worn by many of the individuals.

At approximately midnight, a number of individuals

~~CONFIDENTIAL~~

NY 100-162260

climbed on top of the information booth located in the center of the Railroad Station Concourse. These individuals began throwing railroad timetables into the air and broke the hands off of the four faces of the large clock located on the top of the information booth.

At approximately 12:50 AM on March 23, 1968, New York City Police charged the group of individuals who had climbed on top of the information booth and made a number of arrests.

At approximately 3:00 AM, on March 23, 1968, one-half of the individuals left Grand Central Station and began to walk up 5th Avenue to the Sheep Meadow in Central Park, New York City. At approximately 4:00 AM, the remainder of the individuals left Grand Central Station and proceeded to the Sheep Meadow in Central Park.

At the Sheep Meadow, the individuals sang songs, danced and roamed around. On several occasions, small fires were started by individuals with slats broken from snow fences in the Sheep Meadow for warmth. Several individuals were arrested for damaging the snow fences in the Sheep Meadow.

The individuals continued their activities in the Sheep Meadow until approximately 6:30 AM on March 23, 1968, when the majority dispersed.

Detective [redacted] of the Bureau of Special Services, NYCPD, advised on March 23, 1968, that approximately 60 individuals were arrested during the activities in the Grand Central Railroad Station, and three individuals were arrested in the Sheep Meadow in Central Park.

The "New York Post" in its March 25, 1968 issue on page 2, sets forth an article entitled, "Yippies Say Cops Turned 'Love Feast' into a Riot" which states as follows:

"Officials of the Youth International Party--the Yippies who drew thousands of youngsters to Grand Central Station Friday

"night - charged today that police had turned the 'spring love feasts' into 'what we believe was a police riot.'

"Some of the scores of persons injured, and several of the 56 who were arrested in Friday night's melee last night told of their experiences at the hands of police in what a Civil Liberties Union lawyer called 'the worst display of police brutality I've ever seen outside of Mississippi.'

"For the city, Barry Gottehrer, assistant to Mayor Lindsay, blamed the police-Yippie confrontation in part on 'a lack of communication.' He said he was 'greatly disturbed' at the incident, and said those who felt they were victims of police brutality had two legal means of recourse--the courts and the police Civilian Complaint Review Board.

"Gottehrer, who was present during the Grand Central episode, said he would report to Mayor Lindsay sometime today on the complaints of the Yippie leadership.

"The charge that the episode became a police riot was made by Keigh Lampe, 36, leader of YIP, who was a former newspaperman in Pittsburgh, and once worked for the old International News Service in Paris.

"Lampe said that the 'anger level is already higher than last year' and warned there is a level of 'exasperated violence among young white people.' "

C. "Yip-Out", Sheep Meadow, Central
Park, New York City, April 14, 1968

On April 9, 1968, NY T-2 advised that the YIP planned to hold a sit-in in the New York City Mayor's Office at 11:00 AM on April 10, 1968, to demand the use of the Sheep Meadow in Central Park, New York City, on April 14, 1968, for a "Yip-Out" (music festival).

On April 10, 1968, NY T-5 made available an undated leaflet from the YIP entitled "We Demand Music in Sheepmeadow!!" which states in part as follows:

NY 100-162260

"After two weeks of (obscene) promises, the city has denied us the use of Sheepmeadow on Easter Sunday. By denying us the right to set up stages and sound systems they are creating a dangerous situation that could erupt into a repeat of the Grand Central Station Massacre.

"DEMAND YOUR RIGHTS!! SHEEPMEADOW MUST BE LIBERATED!!

JOIN A MASSIVE SIT - IN IN LINDSAY'S OFFICE

"ASSEMBLE: 11:00 A.M. WEDNESDAY, APRIL 10

MAIN ENTRANCE CITY HALL

"Be advised: Police are armed and considered dangerous. Let's see how the phony administrators who have been 'embracing' MARTIN LUTHER KING'S tactics respond when those tactics are used in their own backyards."

On April 10, 1968, SAS of the FBI from approximately 11:00 AM until 1:45 PM, observed about forty hippie-type individuals, most of whom were wearing "Yippie" buttons, meet with representatives of Mayor JOHN V. LINDSAY outside of City Hall, New York City, to request a permit for the use of the Sheep Meadow in Central Park, New York City, on Easter Sunday, April 14, 1968, for a "Yip-Out" (music festival).

After much discussion and an intermission of one hour from 12:15 PM to 1:15 PM, the group was advised by SIDNEY DAVIDOFF, Assistant to Mayor JOHN V. LINDSAY, that a permit would be granted to them by the New York City Parks Department for the use of Sheep Meadow in Central Park, New York City, on April 14, 1968, for their "Yip-Out" (music festival).

JERRY RUBIN, KEITH LAMPE, ABBE HOFFMAN, PAUL KRASSNER and BOB FASS of New York City radio station WBAI were observed participating in the discussions with the representatives of Mayor JOHN V. LINDSAY and appeared to be the spokesmen for the Yippies.

NY 100-162260

The "New York Post" in its April 10, 1968 issue on page 10 sets forth an item entitled "Sit-In for a Yip-Out" which sets forth a photograph of a group of Yippies meeting with SIDNEY DAVIDOFF, Assistant to New York City Mayor JOHN V. LINDSAY outside of City Hall, New York City on April 10, 1968.

The item then states as follows:

"Sid Davidoff, assistant to Mayor Lindsay, tries to placate a group of yippies camped outside City Hall today. The yippies--Youth International Party--want the Sheep Meadow for an Easter Sunday 'Yip-out', an updated version of the old-fashioned 'be-in'. City officials at first insisted they could use only the Central Park Mall, not the meadow. But Davidoff later relented."

On April 14, 1968, SAS of the FBI observed a "Yip-Out" (music festival) sponsored by the YIP in the Sheep Meadow of Central Park, New York City.

At 6:00 AM, approximately 200 hippie-type individuals were milling around the Sheep Meadow.

By 11:00 AM, the crowd had enlarged to approximately 1,000 individuals. At that time a band started playing music at the Southwest corner of the Sheep Meadow. Stands were also set up at which YIP posters were passed out advertising a "Festival of Life" in Chicago, August 25 to 30, 1968, with free music, lights, theater and magic. In addition, in one section of the Sheep Meadow a small area was also set up to accept donations of canned food goods for the forthcoming Poor People's March to Washington, D.C.

At 1:00 PM, the crowd had enlarged to approximately 5,000 individuals and at 2:00 PM, the crowd had enlarged to a peak of approximately 9,000 hippie-type individuals and Easter Sunday strollers.

A number of individuals wearing "Yippie" T-shirts wandered through the crowd with buckets attempting to obtain contributions for YIP.

NY 100-162260

During the day numerous small groups entertained with various hippie-type music.

At 3:00 PM, a small single engine airplane circled over the Sheep Meadow three times and dropped bunches of flowers.

By 6:00 PM, the crowd had dwindled to approximately 1,000 individuals who were gathered around the platform at the Southwest corner of the Sheep Meadow listening to hippie-type music.

By 7:45 PM, the majority of the crowd had dispersed.

D. Festival of Life, Chicago,
Illinois, August 25-30, 1968

On March 6, 1968, NY T-1 made available an undated leaflet of YIP entitled "People, Get Ready" which states as follows:

"The leaders of the National Democratic Party are planning to meet in Chicago in August; there to enact, for the television audience, all the drama and excitement of an American Political Convention, culminating, it is understood, in the nomination of L. Johnson for President of the United States, and Leader of the Free World.

"In the face of this act of sado-masochistic folly the free youth of America will simultaneously hold an enormous International Youth Festival in Chicago; there will be music playing and people swaying, dancing in the streets. Johnson and his delegates, locked in their slaughterhouse conventionhall theatre, will make ugly speeches and play ugly campaign music, while we, the living breathing youth of the world, will make the city a theatre, and every restaurant Alice's. Already, throughout parks and vacant lots in and around Chicago, agents of the Potheads' Benevolent Association have planted hundreds of thousands of pot seeds. The long hot summer of 1968 is expected to produce ideal weather for marijuana growing, and most of the crop should be ready for smoking by the end of August. F'r e e people, free pot, free music, free theatre; a whole new culture will manifest itself to the world, rising

NY 100-162260

"from the ashes of America. Rock groups will be performing in the parks; newspapers will be printed in the streets; provos and police will play cops and robbers in the department stores; Democrats and dope fiends will chase each other through hotel corridors. Longboats filled with Vikings will land on the shores of Lake Michigan, and discover A m e r i c a ! Chicago will become a river of wild onions!"

On March 6, 1968, NY T-1 made available an undated leaflet from YIP, 32 Union Square, New York City, which stated in part as follows:

"68' is the year of the YIPPIE! Over 500,000 free spirits will come to Chicago during Aug.25-30. They will come to celebrate a free Festival of Life as a living alternative to the death of the National Democratic Party. Over one hundred music groups, celebrities and theatre groups have already agreed to participate including: Arlo Guthrie, Allan Ginsburg, Timothy Leary, Phil Ochs, Judy Collins, Paul Krassner, Country Joe and the Fish, the Fugs, Janis Ian, Richie Havens, and Dick Gregory.

"We have available 2 multicolor posters 24" by 36" by Milton Glazer and the Group Image. In addition we have a super 1 1/4" button, dayglo pink on deep purple, which bears our slogan YIPPIE! (The posters are fantastic bargains; similar ones by the Group Image and Milton Glazer sell for anywhere between 2-5 dollars.) Funds raised go to the festival. All orders will be filled promptly. All orders must be prepaid. Make check payable to the Youth International Party."

On March 6, 1968, NY T-1 made available a copy of a reprint of an article written by JERRY RUBIN for the Underground Press entitled "Notes from an Era Yippizolean" which stated as follows concerning the planned activities of YIP:

"1968 is the year of the 'yippies.'

"A yippee is anyone who wants to be. A yippee! sounds like the name. Say it loud, and you'll see what I mean. Yippee! Yippee!!

"The yippees will be in Chicago this August for the youth festival, or Youth International Party, YIP.

"The yippees were born at the Pentagon last October, although they have been developing in the womb of Mother America since the late 1950's.

"The yippees are the children of the middle class, children who refuse to 'grow up' refuse to accept the world their parents created. The yippees have had white middle-class America, and they didn't like it.

"A yippee is a stoned-idealist, moved by a vision of a future utopia. He is a romantic. It is not fear which moves the yippee; it is faith and hope.

"The yippies are fighting for their own freedom. The yippees know in their bones what America has done--

NY 100-162260

"rivers of blood, man against man, death of spirit, denial of dignity. The yippee is free because he is engaged and committed to change.

"The yippee sees America as a huge prison, with her institutions (bureaucracies, office buildings, armies, universities, schools) as bars. The yippees are drop-outs from that world. They were raised on horror stories of Eichmann, the bureaucratic cop-out.

"The yippees are with the Vietnamese, peasant guerrillas wherever they are, and the black and other struggling people of America in this mid-20th century saga of the battle of Man V. S. Machine.

"To America's insanity, the yippees ask: 'Why?' Yippees are naive.

"The answers?

"'You're freaky-looking.'

"'The Chinese are coming.'

"'Watch out for the commies.'

"'Get a bath.'

"The yippee is not busy working within the system or trying to explain his actions to the Establishment or the middle-class mentality. He is too concerned with creating a clear alternative, an underground, an opposition.

"He is involved in a cultural revolution. In the process he is seducing the 10-year-olds with happenings, community, youth power, dignity, underground media, music, legends, marijuana, action, myth, excitement, a new style.

"The yippees are out there blocking traffic, throwing blood, burning money, tying up government telephone wires, milling in, (obscene) the draft, throwing live snakes into Dow Chemical executive cocktail parties.

"You probably don't agree with this description of yippee, but that's because you are a yippee, and you have your own fantasy.

x x x x x x x x

"The New Left created the teach-in, the hippy created the be-in, and the yippee is creating the do-in. America's first youth festival will be a do-in and it will take place Aug. 25 to Aug. 30 in Chicago's Grant Park.

"If that's the same time the National Death Party meets to crown LBJ there's no coincidence! The world will see what the youth of America thinks of the Death Party and its war games. The youth festival will be a living alternative and you can take your choice.

"Imagine the sight: thousands of yippees, from 200,000 up, making their way to Chicago by thumb, magical mystery tour, bus, bicycle, car, truck, foot -- from big town and small hamlet -- carrying sleeping bags, guitars, blankets, food -- coming together in the middle of the country at the end of the summer for a super-creative energy explosion and information exchange.

"It will be a total multi-media experience. For six days we will be together sharing and learning. Every morning all our money can be thrown into big barrels to buy enough food to feed everyone. Our own Alice's Restaurant! And that tells America how we think the needs of human beings should be solved -- everything free.

"The music will be free. The performers will be playing for their community. Definite already are Country Joe and the Fish, The Fugs, Arlo Guthrie, Phil Ochs, the United States of America band, Pageant Players, Bread and Puppet Theater, Allen Ginsberg, Timothy Leary, Paul Krassner and the Steve Miller Blues Band. Invitations are now going to Dylan, Eric Burdon and the Animals, the Monkeys, the Jefferson Airplane, Richie Havens, Simon and Garfunkel, the Doors, the Who, the Blue's Project, Beatles, Mothers of

NY 100-162260

"Invention, Mamas and Papas, Janis Ian, the Cream, and the Smothers Brothers to name just a few.

"Walk across Grant Park at any time during the youth festival and you'll find:

"Free mikes and soapboxes for anyone who wants to rap, and a . . .

"Free mimeo for any who has something to pass out.

"The underground papers will come from all over the country to Grant Park to publish a daily paper for the festival. They'll do it right in the park and teach people how to start and do their own paper.

"Film-makers will hold workshops and show at night what they film during the day.

"Continuous workshops on the draft, and how to end it will be held.

"A real school for drop-outs will appear, along with art of the streets, art for and from the people. You name it. You do it. Everyone participates -- every man is a creator.

"We'll have yippees dressed like Vietcong walking the streets and shaking hands like ordinary American politicians. We'll infiltrate right-wing crowds with short-hair yippee veterans who at the proper moment will blow minds with speeches like: 'Now, these yippees have something to say...'

"Guerrilla theater groups from all over the country will be there. The day before LBJ arrives in Chicago we will announce to the overground press that LBJ will arrive at 2 p.m. at O'Hara Airport. And it will be our own LBJ who will be greeted enthusiastically by the yippees, honored by a motorcade through Chicago, and then on to a hotel for a press conference to announce America's withdrawal from Vietnam.

NY 100-162260

~~CONFIDENTIAL~~

"Yippies plan to paint their cars like cabs, pick up delegates, and drop them off in Wisconsin. We are infiltrating the hotels with bellboys and cooks. We are also infiltrating the press.

"We'll have our own theater-convention and nominate Bancroft P. Hogg, a pig made out of vegetables, for President and LBJ for Vice-President. After Hogg is nominated, we will kill him and then eat him. We will say to America: 'You nominate a President and he eats the people. At our convention we nominate a President and the people eat him!'

"The youth festival will dramatize the nations's most massive collective and individual acts of resistance. One night 100,000 people will burn draft cards at the same moment, with the fires spelling out 'Beat Army.' The next day all the pyromaniacs will send signed letters to the government confessing their act, and will encourage more young men to follow them.

"This do-in will be unique in that it must be a bottom-up revolution to succeed. You are needed to work on it to make it happen. It will not be done for you. We have opened up a coordinating office, at YIP (room 607, 32 Union Square East, New York. 10003, New York, phone (212) 982-5090 and we are there coordinating information.

"The Chicago power structure, especially Mayor Daley, is not going to be thrilled about our using Grant Park. But with hundreds of thousands of us, what are they going to do? It is our human right and we are confident of receiving a permit to use Grant Park.

"That week in Chicago will be a living theater of America. King will be there, also Gregory, also Spock and the peace movement. The Democrats will probably have to travel from hotel to convention hall by helicopter. Johnson will be nominated under military guard, under the protection of Army bayonets. Even if Chicago does not burn, the mass paranoia and guilt of the government will force them to bring thousands of troops, and the more troops, the better the theater.

~~CONFIDENTIAL~~

NY 100-162260

"A lot of troops will have to stay and watch us (long hair freaks them out), diverting troops from the black community. And the yippies, being wanderers, will be all over the city.

"That Lyndon Johnson and his Democratic Party cannot rule this country is becoming clearer every day. The choice is between the life of youth and the death of the Establishment. For those who don't see that now, Chicago will be an aye-opener."

NY T-14 on February 28, 1968, and NY T-18 on March 12, 1968, also furnished copies of the reprint of an article written by JERRY RUBIN for the Underground Press entitled "Notes from an Era Yippizolean".

On March 6, 1968, NY T-1 made available an undated three page leaflet of YIP, 32 Union Square, New York City, entitled "Yippie Announcement! Yippie!" This leaflet states in part as follows:

"YIP is planning a 'festival of life', an 'international youth festival' from Sunday, August 25 to Friday, August 30 in Chicago, Illinois. This youth festival will take place at the same time as the National Death (Democratic) Convention in Chicago. It will be a contrast in life styles. Ours will be an affirmative of life; theirs is d-e-a-t-h.

"The festival of life is being organized by a new coalition of forces called the 'Youth International Party' or 'YIP'. All the people who come to the youth festival are 'yippies!'. Chicago police have estimated 'anywhere from 100,000 to two million'. We concur.

"The youth festival is unique in the following respects:

"1. In addition to the protest of the Death Party and its policies, the festival presents a living, cultural, spiritual alternative.

"2. The festival will be an artistic event and

NY 100-162260

"involves artists in its conception and execution.

"3. The festival will last six days and will be a living experience for those who come, not just a one or two-day protest.

"4. The festival will be a participatory event, a creative 'do-in'. Activities and resources will be planned so that everyone who comes will become involved and will grow through the experiences.

"5. Everything will be free. This will be the nation's first major free music festival. Our goal is that food also will be free at the festival -- people will pool their money to provide free food. The festival will express our view that the needs of life should be free. We will demonstrate this through action -- through sharing.

"The following are some of the activities that will occur at the youth festival:

"--music. The following performers have already agreed to appear: Country Joe and the Fish; Blood, Sweat and Tears; Arlo Guthrie; Len Chandler, Phil Ochs; Janis Ian; the Fugs; United States of America electric band; Peter Seeger; American Expeditionary Force; The Sunshine Company; The Nitty Gritty Dirt Band; Richie Havens; Dick Gregory; Barbara Dane; Jim and Jean; Judy Collins; Steve Miller Blues Band.

"A number of performers are preparing a call soon to be widely publicized asking all artists to celebrate Aug. 25-30 as 'affirmation of life' week and not to accept any commercial bookings; and instead to come to Chicago to perform for the youth festival.

"--A major emphasis of the youth festival will be on guerrilla theater. Many interesting things are planned: we will have our own LBJ who will end the war; there may be a march of the oppressed of the world; and body paint and costumes for all who want them. The Bread and Puppet Theatre and the Pageant Players of New York are preparing happenings. YIP is asking guerrilla theater groups from all over America to come to Chicago that week to 'do your thing...Chicago is a stage...it will be

"a natural energy center for guerrilla theater." If interested, write the coordinator for guerrilla theater, Richard Schechner, editor, Drama Review, New York University, 32 Washington Place, N.Y. 10003, N.Y., or call (212) 598-2596.

"--A daily underground paper will be published by the underground papers and Liberation News Service.

"--Discussions and demonstrations will take place on the issue of the draft. One night 100,000 people may burn draft cards, with the fires spelling: 'Beat Army.'

"--A mock convention will happen.

"--And: free mikes for people to rap in Hyde Park fashion, mimeos also, and hundreds of small discussions on hundreds of topics.

"--magic

"Youth festivals will take place in countries all over the world the same week.

"Our yippie calls are:

"'Rise up and abandon the creeping meatball!'

"'We demand the politics of ecstasy!'

"Many people are working actively to build the festival including Paul Krassner, Ed Sanders, Timothy Leary, Allen Ginsburg, Vaughn Meader, Richard Goldstein, Bob Fass, Jacques Levy, Barbara Dane, Mike Ochs, Abbie Hoffman, Keith Lampe, Jerry Rubin. Dennis Gaston and Abe Peckolick, along with people from the underground paper, The Seed, are forming a YIP group in Chicago and an office will be opening there shortly to carry on the coordination of local forces. (u)

"A support committee is being formed in Chicago of clergymen and lawyers to negotiate with the city for permits

NY 100-162260

"to use park facilities. We are confident of receiving the necessary permits. The more people that are planning to come to Chicago, the more likely will be our chances.

"The youth festival is completely open. There is no 'central committee' making decisions on policy. We are working to get people there, to organize the best sound system ever, and the necessary resources. Form your own committee, hand out your own releases, plan your own activities. In fact, yippie will not happen if you personally don't get involved. Become a yippie organizer in your own city (and write us about your work)! Do it! Now.

"Because of the tremendous numbers of people expected, local groups should begin now securing their transportation -- buses, trucks, bikes, etc. You might consider dramatic bus, truck, car, bike, walking caravans across the country to Chicago! Bring sleeping bags, blankets, tents, and props.

"Money is desperately needed to provide staging, sound system, lighting, props, publicity and other resources needed to make the festival a success. If you can, make checks payable to Youth International Party and sent to our office.

"Literature, two multi-color posters by Milton Glazer and the Group Image and YIPPIE buttons and stickers are available through our office.

"If interested in hearing a speaker on YIPPEE, contact the YIP office.

"This will be the first national youth festival, the first coming together of all the people who have been involved in the youth revolution which has been taking place in America in the past decade. A lot will be concentrated in one time and place period in August and the result will be, we think, 'geometric' growth in the energy and spirit of our new culture."

He stated it was not the purpose of the Yippies to disrupt the Convention or to provoke violence, but to show the Democratic Convention and the general public that a "third party was alive."

SAS of the FBI at 11:00 AM on March 19, 1968, observed a press conference called by the Yippies at the Americana Hotel in New York City.
