Re: Public Records Act Request (*Gov. Code § 6250, et seq.*)
Request No. 03122024-APD

Dear J. Ader:

The Anaheim Police Department (“APD”) received your recent Public Records Act seeking “documents pertaining to [APD’s] contract with Veritone” including, but not limited to the following: “initial bid documents; current and previous contracts with Veritone regarding any of the offerings/software; requests for proposals; memorandum of understanding; any privacy impact assessments; any product manuals; any instructional materials or presentations; use policies and standard operating procedures; data retention policies; letters of interest; usage policies; [and] any informal agreements or other documents that reference Veritone or otherwise guide its use or the relationship between this agency and the provider or developer of the software.”

Please note that certain records may be withheld from production or redacted pursuant to the following exemptions to the Public Records Act:

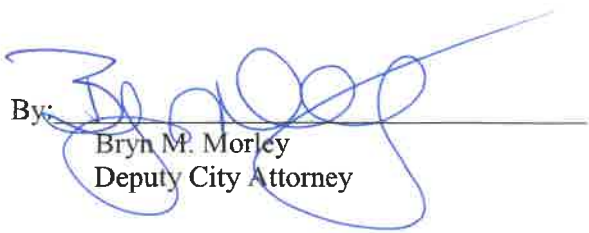

- The records may be subject to the public interest exemption (*Gov. Code § 7922.000*);
- The records may contain proprietary information (*Evidence Code §1060*; *Civ. Code §3426, et seq.*); and
- Documents reflecting police techniques or security procedures are expressly exempt from disclosure pursuant to *Gov. Code § 7923.600, et seq.*

Subject to, and without waiving, the foregoing exemptions, the APD has identified responsive records that fall within the scope of your request. Please contact the APD Records Division to arrange for payment and production of the records. Thank you for your kind cooperation in this regard.

Sincerely,

ROBERT FABELA, CITY ATTORNEY
